

Heritage Isle in partnership with  
Exeter Primary School are pleased to  
offer **School Banking**

Meet Swifty, our pirate parrot.  
These parrots only breed in Tasmania, and are  
currently endangered. With his pirate heritage,  
Swifty is very good at keeping his savings tucked  
away for a rainy day.

At Heritage isle we believe you are never too young  
to start planning for your future.

Our team at HICU Exeter Branch would love to hear  
from you 63944 850 or [exeter@hicu.com.au](mailto:exeter@hicu.com.au).

### ***Wednesday Weekly***

All you need to do is take your banking to school  
and Swifty will do the rest.
