

THE SECRET OF HAPPY CHILDREN!

An evening with Steve Biddulph

In this funny, practical, and moving talk, Steve helps make parenthood easier and happier, from babyhood right through the teen years..

Topics include...

- ♦ How to raise children with backbone and heart
- ♦ What's normal?
- ♦ Understanding your parenting style and what might be missing
- ♦ Soft love and firm love and when to use which
- ♦ Discipline - it isn't what you think.
- ♦ Helping your family to slow down and be more connected
