

Last week our school participated in the **National Day of Action against Bullying and Violence**.

This year schools were asked to share their ideas for a '**world free from bullying**' by creating a poster to express their creative side to saying - Bullying. No Way!

Classes discussed questions such as 'What would a world without bullying look like?', 'How would it look different?' and 'How could we make a world without bullying?'

Our posters are on display in the main hallway. If you are in the school over the next couple of weeks, come and have a look.
