

West Tamar Municipal Band

Dear Parents/ Grandparents & Carers,

The West Tamar Band is forming a **Beginners Band** and a **Training Band**.

Anyone between 8 and 80 years are welcome to join. No experience is needed for the beginners, and some instruments are available.

I joined up as a complete novice at age 75 and it has been the best experience of friendship and learning over the last 5 years.

If you or someone you know is at all interested in making music phone Nye Evans on 6383 1559 for further details.
